**To Whom It May Concern:**

**I have known David Sickelsteel for several years. I have had the opportunity to work with Dave for certain furniture needs during that time.**

**When we moved our offices three years ago, we used Dave's services to help us outfit our new offices.**

**We felt that we received excellent services from Dave and we were very pleased with the quality of the furniture and his knowledge of the business.**

**The value that we received would cause me to ask for Dave's services for future needs.**

Sincerely,

**Brian A. Rider
